

Aspect Via™ Workforce Management™

Workforce management is an essential component of any efficiently operating contact center. Now you can enjoy the best WFM solution delivered from the most widely used cloud infrastructure.

Aspect Via WFM brings Aspect's #1 rated workforce management solution¹ to the Amazon cloud, delivering all the rich features of WFM on-premises with all the benefits of a SaaS offering, including rapid implementation time, easy scalability, low total cost of use, built-in high availability and continuous delivery of best-in-class new features seamlessly provided to customers.

For decades, Fortune 500 companies have chosen Aspect® Workforce Management™ as the backbone for their contact center workforce management needs. Aspect Via WFM puts the elegant power of Aspect's premise WFM solution to quick and productive use in the cloud at a remarkably low monthly price – no matter the size of your deployment, since Aspect Via WFM scales from 100 to 15,000 agents.

Key Features

• Modern, Graphical User Interface

Highly simplified, web-based, graphical user interface which significantly increases agent and supervisor productivity and engagement.

• High Forecasting Accuracy

Unparalleled forecasting accuracy with multiple forecasting algorithms.

• Scheduling Flexibility

Optimize schedules based on business need (requirements based), employee preference (preference based), or both.

• Compatible with Virtually All ACDs

Virtually all commonly used ACDs and routing platforms are supported by Aspect Via WFM.

• Lowest Total Cost of Use

Pay for cloud resources tied directly to volume spikes.

• Multi-channel Performance

Optimally blend staff across all channels including inbound/outbound voice, email, webchat, SMS, IM and social media with accurate models of newer text-based channels.

• Easy-to-Use Employee Self-Service

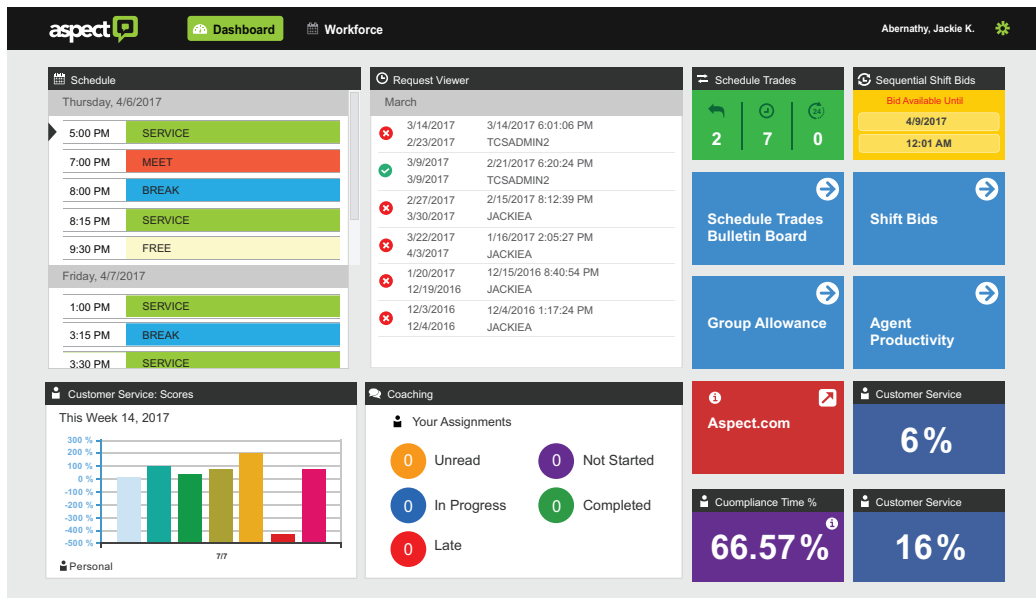

Browser-based self-service provides scheduling flexibility and minimizes administrative overhead.

• Continuous Upgrades

Enjoy the most recent versions of the Aspect Via WFM service as soon as they are generally available, free of charge, via seamless updates².

• Upgrades Easily to Aspect Via™ Customer Engagement Platform

Similar architectures and purpose-built software tools enable easy migration to our full suite of native interaction management, self-service and workforce optimization capabilities within the Aspect Via customer engagement platform.

Example WFO Dashboard with WFM Widgets
